RE: Court of Appeals Number: 02-20-00002-CV
Trial Court Case Number: 048-112330-19

Style: T.L., a Minor and Mother, T.L., on her Behalf
v.
Cook Children's Medical Center

The case has been set for submission **with oral argument** on **Tuesday, February 4, 2020, at 10:00 AM**, before a panel consisting of Justice Gabriel, Justice Birdwell, and Justice Wallach, in the courtroom of the Court of Appeals for the Second District of Texas, which is **located on the 9th floor of the Tim Curry Criminal Justice Center**. *See* Tex. R. App. P. 38.6(d) (allowing the court, in the interests of justice, to shorten the time for submission of the case). This panel is subject to change. *See* Tex. R. App. P. 39.8. You can find the court's case submissions on our website at <http://www.search.txcourts.gov/Submission.aspx?coa=coa02&s=c>.

No later than ten days before the scheduled oral-argument date, a party may, but is not required to, submit to the court three paper copies of the party's brief as a courtesy for the panel.

Shortly before the scheduled argument time, all attorneys who will be arguing must check in with the clerk in the courtroom and tell the clerk how much time is needed for argument.

The court limits oral argument to fifteen minutes per side and an additional five minutes for appellant's rebuttal. If you tell the courtroom clerk that you will need less than this time to argue, you cannot change your mind during the course of oral argument. If you plan to ask for additional time—which must be done in advance—see Local Rule 4.B for instructions.

NOTE: Under Local Rule 4.D, any party choosing to waive oral argument must notify the court and all parties at least seven days before

the scheduled submission date. Otherwise, counsel must appear at the time set for oral argument.

Because this court digitally records its oral arguments and makes them available to the public on its website, you must disguise all references to people or details that could identify the minor child involved in the case. Any party desiring that the oral argument should not be uploaded to the court's website must file a motion requesting that relief.

Respectfully yours,

DEBRA SPISAK, CLERK
